

ASCO Materials Verification Certificate

SIERRA NATURAL SCIENCE INC.
1031 Industrial Street, Salinas Ca 93901
Phone: 831-757-1702

The product, as listed in this Verification Certificate was reviewed on January 12, 2016, and found to be compliant on that date with 7 CFR, Part 205 of the National Organic Program ("NOP") requirements for materials used in organic certified operations as an insecticide. Based solely on review of information about the formulation and manufacturing of the product provided by the manufacturer, and/or on the testing of samples of the Product by a third party laboratory, as set forth below.*

Product:
SIERRA NATURAL SCIENCE 209 SYSTEMIC PEST CONTROL

This verification certificate does not authorize the Product to be labeled as "Certified Organic" or to use the "USDA Seal". Producers and handlers of organic food products must contact their certifier for approval of any materials before use in an organic system plan in compliance with NOP 205.201.

The above listed Product has undergone the following materials verification process:

- Document review of Confidential Statement of Formula, Manufacturing Description and Process Flow Charts. Date: January 12, 2016
- On site inspection of manufacturing facility, records audit and production capacity verification. Date:
- Raw ingredient and final product sampling and analysis. Date:

Gerry Willey
Director of Materials Review Program
