

Ebb & Flo 6 Site Expansion Kit Instructions

Expansion Kit Includes:

- 6 pieces – Blue four gallon GRO sites
- 6 pieces – Black 360° mesh GRO inserts
- 6 pieces – Pre-cut $\frac{3}{4}$ inch black tubing
- 6 pieces – Exclusive $\frac{3}{4}$ inch tub tee fittings with gaskets

1. Insert exclusive $\frac{3}{4}$ inch tub tee fitting into blue GRO site. Do not over tighten. (Photo # 1)
2. Snap black 360° mesh insert into blue GRO site. (Photo # 2)
3. Place blue GRO sites in garden to establish layout design. (Photo # 3)
4. Attach pre-cut $\frac{3}{4}$ inch black tubing to tub tee fitting. (Photo # 4)
5. Move black end cap to end of water feed line. (Photo # 5)
6. Fill system with water and verify that all connections are secure and leak free.
7. For technical assistance please call: 888-808-4826
8. Your Ebb & Flo expansion sites are ready for use!
