

# MATERIAL SAFETY DATA SHEET

## 1. IDENTIFICATION

|                       |   |                                  |  |
|-----------------------|---|----------------------------------|--|
| PRODUCT NAME:         | Readygro<br>Cocogro<br>Pure Earth                               | PHYSICAL DESCRIPTION/PROPERTIES: |  |
| OTHER NAME:           | Plant Propagation products made out of Coir pith/Coco substrate | APPEARANCE:                      | Brown natural organic substance                          |
| UN NUMBER:            | None  | ODOUR:                           | Odorless   |
| DANGEROUS GOOD CLASS: | Not hazardous   | pH:                              | 5 to 6.5   |
| SECONDORY RISK:       | None  | FLAMMABILITY:                    | Not flammable  |
| HAZCHEM CODE:         | Not hazardous   | BOILING POINT:                   | Not applicable   |
| POISONS SCHEDULE:     | None allocated  | MELTING POINT:                   | Not applicable   |
| USES:                 | Used for horticulture & landscape purposes                      | VAPOUR PRESSURE:                 | Not applicable   |
|                       |   | FLASH POINT:                     | Not applicable   |
|                       |   | SPECIFIC GRAVITY (WATER=1):      | Varies according to composition & moisture content       |
|                       |   | MOLECULAR WEIGHT:                | Not applicable   |
|                       |   | SOLUBILITY IN WATER:             | Not soluble  |
|                       |   | INGRIEDIENTS:                    | RHP certified coir fiber pith & coconut husk chips/crush |

**2. HEALTH HAZARD INFORMATION****CHRONIC & ACUTE HEALTH EFFECTS:**

**SWALLOWED:** Unlikely under normal conditions. No known hazard.

**EYE CONTACT:** May cause minor eye irritation & slight redness of eyes.
