

# Gavita CMH

## 315e 208-240 V

The Gavita Pro 315e 208-240 CMH is available with either 3100° Kelvin or 4200° Kelvin lamps. The new reflector design is very compact. Using the built-in Repeater Bus Interface on the ballast, you can control up to 500 fixtures per control channel when paired with the Gavita Master Controller (sold separately) This pairing enables you to centrally turn these fixtures on or off.

### FEATURES

- Compatible with Gavita Master Controllers for convenient, centralized control
- The integration of ballast and reflector results in a compact fixture
- Ideal for fixed installation on Unistrut (brackets sold separately)
- UL 8800 and ETL listed
- Weight: 7.28 lb (3.3 kg) per fixture
- Dimensions: 14.8 in x 9.3 in x 9.9 in

See our website for additional information
