

Gavita Pro e-Series

1000e Slim Line 208-240 Volt

The Gavita Slim Line series is part of our Professional line of horticultural lighting fixtures. At only 9.7 inches high, the Slim Line's reduced height makes it ideal for use in rooms with low ceilings. The Slim Line's ballast design affords efficient, passive cooling intended to deliver long life and reliable performance. Using the built-in Repeater Bus Interface on the ballast, you can control up to 500 fixtures per control channel when paired with a Gavita Master Controller.

FEATURES

- Only 9.7 in high, making it our most compact 240 volt fixture yet, ideal for setups with low ceilings
- Included HR96 reflector helps provide maximum efficiency and uniformity
- Fixture design provides toolless reflector replacement
- Compatible with Gavita Master Controller for convenient, centralized control
- Suitable for use with 0-10 volt building automation systems
- Controllable output up to 1150 Watt
- ETL listed
- Complies with Part 18 of the FCC Rules
- Dimensions: 23 in x 9.4 in x 9.7 in
- Weight: 8.4 lb (3.8 kg)
